

# Morri's Car Show

At the Benefit for Morri Covin

On March 10th, 2024, 5 year old Morri Covin was playing in her grandparent's front yard. A pecan tree limb fell out of a tree, hitting her on the head. Morri was life flighted to Sacred Heart in Pensacola where she underwent emergency brain surgery. Morri has spent a month in PICU, but has recently moved to a regular room. The proceeds from this benefit will go towards Morri's ongoing medical care.
