Vehicles that mismatch their window cards (or those that do not display their cards clearly) will be disqualified from the show. Registration transfers are not permitted. See Refund/Transfer/Cancellation section for more information. If there is an error (such as spelling or typo or something other that needs a correction) this must be requested 24 hours before the show.

The grounds must be kept clean, and you are expected to pick up after your animals and children. All animals (and some children) must be on leashes, no exceptions... even ducks.? Entrants bring their own vehicles at their own risk. All vehicle Entrants must maintain their own insurance (MANDATORY) on their vehicles if street driven. Information Collection

This website does collect personal information for vehicle show registration and requires correct personal identification for judging vehicles and to locate our guests. This is an opt-in program. For complete information about our privacy policy, please go to our parent website: Privacy Policy Terms of Service Any insertion of vulgar or otherwise objectionable material on your registration, as determined in the sole judgment of Rare Air VW Club, will result in the disabling of the account, and the forfeiture of any monies paid for participation in, or merchandise from Rare Air VW Club. Prize winners

Winners awarded by this car show agree to receive their trophies/prizes at the car show stage at 4PM when winners are announced. If the winner is not present, the prize will be held for the winner. The winner will be contacted at the address listed on the registration form; arrangements will be made for delivery. If the information filed by the Registrant fails to connect to the winner, then the prize is forfeited. No person other than the registered winner can accept the prize if delivered to the winner, or picked up at the address on the front of the form.

How winners are determined

In order to win a prize, the Entrant must pay the Entry Fee, and submit the Registration Form either by the website (<http://RareAirVW.com>), or by mailing, or bringing in, the printed Registration Form to the address on the front of the printed Registration Form. The website accepts payment via electronic funds transfer, debit, or credit card via PayPal. (A PayPal account is not necessary to make a purchase but does facilitate things.) Printed forms should enclose either a check or money order. Cash payments (NEVER MAIL OR SHIP CASH!) Meet us at a Tech Session or regular a scheduled Club Meeting: Locations and meeting dates found on our Facebook page. If you register on the day of the Event, Entry Fees are accepted cash only, and must be paid at the Registration Tent. The Entrant will then be assigned a number which the Entrant must post on the vehicle that was registered if the Registrant wants their car to be judged. If you are a Pre-Paid Entry, on the day of the Event you will pick up your Registration Package at the Registration Tent located at the entrance to 5 Flags Speedway. The precise location and open times will be found on our Maps and Show Schedule pages. 1) There are 1st, 2nd, and 3rd place trophies awarded to all of our show classes. (Specific classes are found on our show information page.) 2) In addition, there are top category trophies awarded to, recommended by our judges and ultimately decided by our club president. These include: Best Paint and Body, Best Interior, Best Engine, Best Display, Best of Show, Ugliest Car and President's Choice. 3) The car/driver DRIVING from the furthest distance wins the Long Distance Prize. NOT TRAILERED. You must DRIVE your car to this show in order to be considered for this award. In the event that two contestants are tied for judging scores, then the furthest distance driven will be the factor used to determine the winner. If still tied for scores as well as distance driven then a special arm-wrestling match between both contestants will be arranged to earn an extra judgement point. Winner of the arm wrestling competition breaks the tie and takes the win.
